WESTERN ECONOMIC ASSOCIATION INTERNATIONAL

HOSTED BY THE UNIVERSITY OF MELBOURNE

17th INTERNATIONAL CONFERENCE

APRIL 12-15 2023

Melbourne, Australia
Melbourne Institute: Applied Economic & Social Research

For over 60 years our economists have conducted rigorous, independent research and analysis, providing an evidence base for effective policy reform and academic research.

We help to solve some of the most pressing and complex issues affecting ordinary Australians, striving to advance opportunity, equity and prosperity for our nation.

17th International Conference

Hosted by the University of Melbourne
Melbourne, Australia | April 12–15, 2023

Jointly sponsored by

• The University of Melbourne Department of Economics
• Melbourne Business School
• Melbourne Institute: Applied Economic & Social Research

The University of Melbourne acknowledges the Traditional Owners of the unceded land on which we work, learn and live: the Wurundjeri Woi-wurrung and Bunurong peoples (Burnley, Fishermans Bend, Parkville, Southbank and Werribee campuses), the Yorta Yorta Nation (Dookie and Shepparton campuses), and the Dja Dja Wurrung people (Creswick campus). We also acknowledge and are grateful to the Traditional Owners, Elders and Knowledge Holders of all Indigenous nations and clans who have been instrumental in our reconciliation journey.

We recognize the unique place held by Aboriginal and Torres Strait Islander peoples as the original owners and custodians of the lands and waterways across the Australian continent, with histories of continuous connection dating back more than 60,000 years. We also acknowledge their enduring cultural practices of caring for Country.

We pay respect to Elders past, present and future, and acknowledge the importance of Indigenous knowledge in the Academy. As a community of researchers, teachers, professional staff and students we are privileged to work and learn every day with Indigenous colleagues and partners.

By attending the conference, you agree to possibly being photographed and that your image may be used in WEAI materials and on its website.
Welcome

We are grateful to be back meeting in person for the 17th International Conference, marking WEAI’s 100-year anniversary!

The generosity and support of the University of Melbourne, its faculty, and staff have been invaluable to the success of this conference. A special debt of thanks to the entire Local Organizing Committee in addition to Events Managers Myron Yovannidis and Monique Currin, Communications & Publications Manager Eileen Kenny, and Events Officer Tania Temple. We wouldn’t be meeting here without their efforts and commitment to making this conference a reality.

Enjoy this opportunity to bring your best ideas to light for some respectful and open debate. We hope you find the conference professionally rewarding, and hope to see many of you at our next conference in San Diego this July and that you’ll plan to join us in 2024 in Seattle, Washington, at our 99th Annual Conference!

Institutional Membership Benefits and Objectives

For academic institutions, research, government, and other organizations that share WEAI’s educational objectives

Benefits to Institutions

Recognition. Institutional Members are listed prominently in Economic Inquiry (EI), Contemporary Economic Policy (CEP), conference programs, WEAI’s website, and in a display at the Annual and International Conferences.

Designated Representatives. Each Institutional Member chooses one to five designated representatives—depending on membership category—to help maintain liaison between its affiliates and WEAI. These representatives receive complimentary Annual and International Conference registration, as well as online subscriptions to both journals and all other benefits accorded to individual members.

Job Market. Institutional Members may use WEAI’s e-newsletter or website without charge to advertise job openings for economists.

Gift Memberships. Academic Institutional Members can congratulate new MA/MS and PhD graduates with a complimentary online one-year WEAI membership.

Benefits to Affiliated Economists

20 percent discount on Annual and International Conference fees and journal manuscript submission fees.

Complimentary conference registration for Annual and International Conference session organizers who are WEAI members.

Benefits to Students

20 percent discount for individual students compared to regular student dues and conference fees.

DATA DRIVING THE GLOBAL ECONOMY

+ powerful analytical tools

haverproducts.com
After incorporating the feedback you receive at the conference, you are invited to submit your revised conference paper for possible publication in either Contemporary Economic Policy or Economic Inquiry for FREE, provided you submit by October 31, 2023, and are a current or newly joining WEAI member.

CEP publishes scholarly research and analysis on public policy issues of vital concern to government, business, and other decision makers. A principal objective is to present high-quality economic analysis in a language accessible to policymakers and other non-specialists without compromising analytic rigor.

EI publishes articles dealing with all topic areas of economics. The primary objective is to make each article understandable to economists who are not necessarily specialists in the article’s topic area.

If you feel that your conference paper is ready for serious review for possible publication, we encourage you to submit!

Visit www.weai.org for more information. Presenters will also receive an email after the conference with further details.
