

Graduate Student Workshop

Bridging the Gap

Designed to help students prepare for the highly-competitive job market, this program offers selected Ph.D. candidates hands-on experience in job-market paper presentation skills and interview techniques. Since 2009 the workshop has been held in conjunction with WEAI's Annual Conference, which in 2019 will be June 28–July 2, at the Hilton San Francisco Union Square in San Francisco, California. Your department is invited to nominate one Ph.D. student who plans to enter the job market by January 2020 to participate in this innovative program — if your institution is an Academic or Sustaining WEAI Institutional Member you can nominate two students; three students if a Supporting Member; or five students if a Sponsoring Member (see www.weai.org for more information).
